Brothers and Sisters,

The Ohio FOP takes your health and financial well-being seriously, and we constantly strive to ensure you have access to the best and most cost-effective products available to ensure success. That is why we have partnered with AFLAC and Boston Mutual to provide the policies and resources you need to stay healthy and financially secure.

We believe the products and services we are offering provide well-rounded coverage for our members, whether you are still an active law enforcement officer or have already served your time as an officer and are now retired.

To ensure you have access to the best benefits education and enrollment experience, we have authorized the following individuals to manage the onboarding process for our members. This includes utilizing their internal team of specially trained benefits counselors for virtual or on-site enrollment.

- Alfred Clifford, SWAG Benefits
- Gena Moore, Inspiredly Benefits LLC

We urge you to allow them to schedule on-site education and enrollment as well as allow these benefits to be paid through payroll deduction when available and applicable.

Fraternally,

Jason Pappas, Vice President
Fraternal Order of Police of Ohio
