

Hi! My name is Kristin and I am one of the trustees for the Ohio State Auxiliary. I have been married for almost three years and before meeting my husband, I did not have any exposure to the FOP or auxiliary. I joined the local auxiliary shortly after we were married and I attended the meetings and functions as my schedule would allow. I was able to attend a state conference in 2017 and quickly learned what it meant to be involved in the FOP. I learned that I was part of a family that would never let me walk alone. I was asked to become a trustee for the Ohio State Auxiliary and have become more involved in my local auxiliary. I continue to learn the ropes at the local, state, and national levels of the auxiliary and continue to look for ways to become more involved and learn. I look forward to continuing this journey with the wonderful people I have met as well as continuing the friendship and family I have gained.
