Quarterly Newsletter from The FOPA of Ohio

August 2024

From the President

Greetings Members,

It was wonderful to see so many of you at our annual state conference last week. The round table discussion was a hit, and we will work to make it even better next year. We also had hospitality after our meeting and that was a great chance to get to know some of you, it was so nice to see new faces and reconnect with our long time members.

We have two new board members, Tammy White from Lima Lodge #8 is our new vice president and Norman Hall has taken over as the trustee for districts 1 & 2. We will be getting the new contact information out to you soon.

We had a few different fundraisers during the conference, we had two baskets with bourbon and thin blue line items and a basket with a Michael Kors purse and wine. These raffles brought in almost \$900! We also had a 50/50 raffle in which we donated our half to the FOP Ohio Foundation. We were able to donate \$440 dollars to the foundation! In addition we were also selling our new challenge coins and stickers which brought in another \$690. A HUGE thank you to all of you who helped with the fundraising, this was our best year yet!

One of my favorite duties as your State President is honoring those members and lodges that truly exemplify what the FOPA is all about. Our member of the year for 2024 is Kevin Kochheiser. Kevin has only been a member for about four years, but has accomplished so much. He is a true asset to Wayne County Lodge #53. In addition to being their secretary-treasurer he's renovated their kitchen and bathrooms at the lodge and has volunteered his time maintaining their buildings and grounds.

Our Lodge of the Year is George Quatman Sr. Lima Lodge #8. They are one of the most active lodges in the state participating in many community events and parades. They support they FOP lodge in all of their events and fundraising, and they donate a significant amount of money to various community endeavors. They submit updates for each newsletter, so you've probably all seen at least a little of what this lodge accomplishes.

Congratulations to our very deserving winners, and THANK YOU for all you do for the FOPA!

Fraternally,

Theresa A. Drennen, State President

State Secretary-Treasurer Report

Greetings from your Secretary/Treasurer, Elaine Domonkos.

Let me begin by thanking everyone for your support in re-electing me to continue to serve as your state secretary and treasurer. It is truly an honor to serve all the lodges in Ohio. It was great to see everyone. I tried to meet everyone I have yet to meet but found that it was hard to do. I apologize if I was not able to talk to you.

As in my past articles, some of this may be repetitive, but there is a reason I continue to put the information into the articles.

E-MAIL

My email, specific to FOPA business is up and running. Please use the following email for any correspondence you may have: FOPAOhioStateSecretary@gmail.com

- If you continue to use my prior email, your message may not be reviewed in a timely manner. I get a lot of emails on my prior email, and those pertaining to the FOPA may be lost.
- I will try to reply within 24 hours of receiving any email. I look several times during the day but cannot always reply while at work. If there is anything that needs immediate attention, please call me on my cell and leave a message if need be (614-323-5557). For those calling, if you are not in my contact list, the call will automatically be sent to voice mail. Please leave a message and I will call you back – either after 5:00 pm or during my lunch.

PER CAPITA PAYMENTS – MEMBERSHIP CARDS

All per capita payments should be in as the first two deadlines for submitting the per capita have also come and gone. Your final payment is due by October 1st.

Membership Cards: IF you have any cards that needs corrected or cards for a new member, please keep the following in mind:

1. DO NOT contact Denise Young requesting new cards or corrections. All requests for new cards or corrections need to go through me! NO EXCEPTIONS!
2. New Member cards will be completed once the per capita for the new member has been received by the state. Again, no exceptions. Therefore, it would serve your lodge to add this member to the data base and submit their per capita immediately following their joining of your lodge.
3. Contact me for any card corrections, need for additional disbursement forms or questions,
4. Please note that members who have been *Reinstated* are not to be considered a new member if they have had a few years between being a member. *New members* are members who have *never* been a member of the FOPA. We want to make sure we do not duplicate the cards that print every year.
5. Make sure your lodge membership database information is up to date, as this is where we get the information for the membership cards. Make sure you mark members who have not paid as inactive. We don't want to print cards for those who are no longer a member.

As was presented in the Secretary / President's meeting, all checks need to be made payable to **FOPA of Ohio Inc.** DO NOT make the checks payable to the FOP – we are not them.

If anyone wishes a copy of the little power point presentation that was shown at the conference, please let me know and I can email it.

Great work Lodge #102!!

Beachwood FOPA Lodge 88 Scholarship

Beachwood FOPA Lodge 88 recently offered a scholarship opportunity for children of Beachwood Police Department employees who are or will be furthering their education at an accredited college, university, or institution.

Those who submitted essays competed for a \$500 scholarship.

"We asked students to write an essay that explained why they would be a good candidate for consideration for the award," said Rob Marimberga, FOPA Lodge 88 president. "Our goal was to present the scholarship to a student who has a commitment to academic excellence, community service, and leadership."

Congratulations to Nicole Krakora, daughter of Beachwood Police Sgt. James Krakora, as this year's scholarship recipient. Nicole consistently challenged herself to perform at her best. She is determined, dedicated to her studies, and committed to community service. She also has a love for learning, leads by

example, works collaboratively with others, and has a desire to excel in all that she does.

"Receiving the Beachwood FOPA Lodge 88 scholarship would not only provide me with financial assistance for my college education but also serve as a recognition of my hard work, dedication, and potential. It would empower me to continue striving for excellence and making a difference in my community," Nicole wrote in her essay. "I am committed to upholding the values that this scholarship represents and am confident that I will make the most of this opportunity."

A congratulatory ceremony was held at the Beachwood Police Department on June 15.

Lima Lodge #8

It's easy to see why Lima Lodge #8 was named as lodge of the year, among their many other accomplishments they have recruited fourteen new members since our last newsletter in May! Part of the reason for that success is their investment in community outreach. Most recently they participated in the local Memorial day parade where they were able to showcase their new lodge Tshirts while they passed out candy and flags along the parade route.
