

# A Lodge UPDATE

Issue 1

Quarterly Newsletter from The FOPA of Ohio

August 2017

## Greetings Brothers & Sisters!

I would like to welcome you to our First Edition of the State FOPA Newsletter! I hope you find this information useful. Please use this as another tool that the State FOPA is providing to help your Local Lodges get your message out to the masses. Also, our Facebook page is a great way to promote your fundraisers, stories, and photos to other members who may not otherwise know what you are doing. Information on how to submit your articles, photos, & fundraisers can be found in this newsletter.

**#MOVEOVER** This hashtag should be familiar to all FOPA members in the State of Ohio. You might be asking "WHAT IS A HASHTAG"? Frankly, I had to ask my daughters to explain. They broke it down to simply mean a number sign followed by a group of words that is link to a message about a topic on the internet, social media, or at times in real life. **#MOVEOVER** is the hashtag for the Ohio FOP Move Over Campaign. This campaign is to 1) raise awareness of Ohio's current move over law and 2) to stiffen the penalties of that law. Despite the fact that the **#MOVEOVER** law has been in effect for over 10 years, numerous injuries and fatalities continue to occur. Under this law the penalty is a possible fine and possible suspension of driving privileges. Under the new proposal changes would include upgrading the charge to a misdemeanor, drivers could be jailed up to 180 days, and fined up to \$1,000 if someone is hurt or killed.

There are 2 components to the #MOVEOVER campaign. First, is education of the current law which requires a motorist to move over on a road or highway that has 2 or more lanes. If that is not possible, the driver must SLOW DOWN to a safe speed while passing the emergency vehicle. Secondly, is to move legislation so that when the law is broken proper punishment will be able to be handed down. This will reduce the number of crashes that are injuring, dismembering, and killing first responders in Ohio. What can you do as an FOPA Members? Tell your family and friends, share the #MOVEOVER on your social media, write a letter to your State Representative & State Senator, and most importantly #MOVEOVER!

The 2018 State Conference will be held on June 21 – 24 in Independence, Ohio. John Chesar and I met with 2 hotels in Independence in regards to our Conference. In years past, we stayed at the Crown Plaza across the street and had to shuttle, drive, or walk across the street to the activities. This was a major inconvenience and a safety concern. I am happy to announce that next year our lodging will be at the Spring Hill Suites by Marriott next to the Holiday Inn and our meetings will be held at the Holiday Inn with the FOP. This should further build the FOP/FOPA relationship that is growing. The rate will be \$125 per night. You cannot book a room until NEXT SPRING! I am putting the rate info out there so that you can start planning for your conference budget now. Also, I hope to see you there!

Thank you for reading this newsletter. I want to thank everyone who contributed to it. I especially would like to thank Vice President Theresa Drennen for reaching out to all of the Trustees for content for this issue. Once again if you want to share something that you are doing or have something coming up please send it in. This is your newsletter.

Fraternally,

Andrew McKenna, President

Fraternal Order of Police Associates of Ohio, Inc.

## Member of the Year

Our featured member this issue is 2017 FOPA Member of the Year Rick Grane. Rick is a 25-year member of Western Cuyahoga Lodge #28 located in Westlake. He has served his lodge for two of those years as their vice president and the past 16 years as their sergeant at arms. Lodge #28 is a very active lodge and Rick said he enjoys many of their events including their annual reverse raffle, a yearly cook out, and shop with cops for which he really gets into the Christmas spirit and dresses as an elf! According to Lodge 28 secretary Becky Woodward, 'You haven't lived until you see Rick in an elf costume!' He bartends their annual Murder Mystery Dinner and orders all of the food for their cook out and Christmas party. He doesn't just pick up the food, cook, and clean up. He also makes sure leftovers get delivered to area police departments.

Rick is a widower with one daughter and like many FOPA members, he became involved with our organization to help police and to better serve his city. Rick lost his wife Susan to cancer in 2003 after a 16 year battle. He uses her as his strength and inspiration to give back to the community. His service to his community doesn't stop with the FOPA. He is active with The American Cancer Society's Relay for Life, the Historical Society, and he is the vice president elect of the Westlake Town Criers. He has served with the Westlake Police Auxiliary since 2005, volunteering around eighty hours a month, and has twice been Auxiliary Officer of the Year. Rick was named 'Mr. Westlake' in 2014, which is the citizen of

the year award for the city of Westlake.

He is also very active with the Kiwanis and has served three terms as their president. Currently Rick is working on a project with the Kiwanis raising funds for new canines for the Westlake Police Department. Thus far the project has raised almost \$25,000 within the Westlake community.

Thank you, Rick, for your service to the FOPA and congratulations on receiving the much deserved 2017 FOPA Member of the Year award.

## Member Honored

Armentrout receiving his plaque from FOP 94 Pres. Chellis

On July 5<sup>th</sup>, Ron Armentrout was honored by Wayne County FOP Lodge 94 and FOPA 53 for his years of service to both lodges. Ron is a 23 year member of FOPA 53 and has served the past 17 of those years as their secretary/treasurer. He was drawn to the FOPA because of a deep respect for law enforcement and many personal friends working in the profession. He spent nine years as a part time officer himself for Mount Eaton and Dalton police departments. This was in addition to retiring as a banker and working as a storm chaser!

In recognition of Ron's service to the FOP and FOPA, the pavilion at FOP Lodge 94 will be named the Armentrout Pavilion. As it states on their Facebook page, 'Members like Ron are what make us successful.' Congratulations to Ron for this honor, and we thank you for your service to the FOPA.

The FOPA State Lodge has Tervis tumblers for sale. The cost is \$20 each. Please contact your district trustee or VP Drennen at [fopaohiov@gmail.com](mailto:fopaohiov@gmail.com) for more information. Tumblers may be shipped. A calculated shipping charge would apply.

# Lodge of the Year

Our first featured lodge is the winner of the 2017 FOPA Lodge of the Year award, Erie County Lodge 35. Located in Sandusky, they are the associate lodge to FOP Lake Erie Lodge 17. They currently have fifty-seven members. Although, they may not be one of the biggest lodges in the state they are one of the most active.

Lodge 35 not only hosts their own events and fundraisers, but they assist their 'P Lodge' with whatever they have going on. FOP 17 and FOPA 35 are an outstanding example of how an FOP lodge and their associate lodge should assist and support one another. They help their P lodge with their annual reverse raffle and the homemade desserts the FOPA provides for that evening are always a hit. Together they have hosted two formal galas and always help each other with fundraisers as well as raffle sales. When FOP 17 was chosen to host the 2017 FOP/FOPA summer conference, FOPA 35 was on board to help!

Their charity committee collects items at their monthly meetings for various organizations in Erie County. These items include: Easter basket items for less fortunate children, items for use by Safe Harbor to help local victims of domestic violence, supplies and food for the Erie County Dog Pound, toys during the holidays for Toys for Tots, school supplies each school year, and food donations for a local soup kitchen. Along with FOP 17, they brave the elements to raise money for Special Olympics at their annual Polar Plunge. Some of FOPA 35's male members strut their stuff in red high heels to support Walk a Mile in Her Shoes. Several of their members have, for the past few years, donated their time to help the Salvation Army with community feeds.

Lodge 35 has a vest fund to help local part time and reserve police officers pay for their vests. They also have a scholarship program for their members, their

children and grandchildren. Some members travel to Washington DC each year along with members from FOP 17 for National Police Week to honor those officers that made the ultimate sacrifice. The members that didn't make the trip this year, started a Blue Ribbon campaign. Blue ribbons were placed all around the community and at local businesses for Police Week, raising community awareness and showing support to their local law enforcement.

The funds they raise never sit idle for long. Each month they receive requests for donations from other organizations throughout Erie County. They do their best to accommodate each request with either their time, providing a basket to raffle, or a monetary donation. Just this month you will find them giving away a pair of bicycles at National Night out, Participating in Walk a Mile, and helping their FOP with a fundraiser on Put-in Bay.

Thank you FOPA 35 for all you do and congratulations on being named 2017 FOPA Lodge of the Year.

## THE DASH

I read of a man who stood to speak  
at the funeral of a friend.  
He referred to the dates on the tombstone  
from the beginning...to the end.

He noted that first came the date of birth  
and spoke the following date with tears,  
but he said what mattered most of all  
was the dash between those years.

For that dash represents all the time  
that they spent alive on earth.  
And now only those who loved them  
know what that little line is worth.

For it matters not, how much we own,  
the cars...the house...the cash.  
What matters is how we live and love  
and how we spend our dash.

So, think about this long and hard.  
Are there things you'd like to change?  
For you never know how much time is left  
that can still be rearranged.

If we could just slow down enough  
to consider what's true and real  
and always try to understand  
the way other people feel.

And be less quick to anger  
and show appreciation more  
and love the people in our lives  
like we've never loved before.

If we treat each other with respect  
and more often wear a smile,  
remembering that this special dash  
might only last a little while.

So, when your eulogy is being read,  
with your life's actions to rehash...  
would you be proud of the things they say  
about how you spent YOUR dash?

- Linda Ellis

# Fundraising Tips

There are a couple of common questions I frequently hear about fundraising: 'We've never held a fundraiser; how do we even begin?' & 'We're a very small group, what can we do that doesn't take too many helpers?'

There are numerous restaurants that offer fundraising options. The most popular option is having an evening in which your organization receives a percentage of sales from anyone who presents a flyer when they come in to dine. With that type of fundraiser, the only thing your group really must do is promote the event.

These links can get you started:

Many lodges have annual events that have become very successful fundraisers. Let us know what fundraisers have worked for your lodge. If you have an event or raffle that is always a money maker, we want to hear about it. Email your suggestions to [fopaohiovp@gmail.com](mailto:fopaohiovp@gmail.com)

## Welcome Readers

I would like to welcome you all to the inaugural edition of A Lodge Update, The Fraternal Order of Police Associates of Ohio's quarterly newsletter. Currently, there are over fifty local FOPA lodges throughout Ohio and each has their own unique memberships, stories, events, fundraisers, and local causes which they support. It's time we share those stories. It is a goal of our State Board to build a better, stronger, well respected organization. One way we can accomplish that goal is by sharing our stories and our successes.

In each of our quarterly issues we would like to feature a local lodge and highlight some of our dedicated members. We will profile our board members and give you updates on issues concerning the State FOP and the FOPA. There will be a tips section which will feature ideas on working with your FOP lodge, successful fundraisers, and suggestions on how to recruit and retain members. We would also like to help you promote your events! There will be a calendar of upcoming events and fundraisers in each issue.

But what we really want to focus on is you, the members that make up this great organization! That's why we need your help. Does your lodge have successful fundraisers? Has your lodge hosted or helped with a popular community event? Does your lodge work hand in hand with your FOP lodge? Fundraising and recruiting new members are two of the toughest jobs we tackle in our local lodges. If you have tried and true ways to recruit members, or if your lodge has a flair for fundraising, share your stories with us. We all have stories to share and we can all learn from each other.

Please send any feature ideas, stories, members or lodges that you would like to see in an upcoming issue, and your upcoming events and fundraisers to

[fopaohiovp@gmail.com](mailto:fopaohiovp@gmail.com). The deadline for potential submissions for the November issue is October 15<sup>th</sup>.

I look forward to hearing from all of you and I hope you enjoy our newsletter.

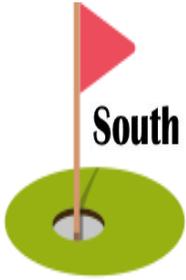

Fraternally,

Theresa Drennen

## Up Next . . .

In our next issue we will be profiling a couple of your State Board members, offering some ideas on fostering a strong relationship with your P lodge, and more of your events.

If any lodges participated in Touch-a-Truck or National Night Out, we want to hear from you! We'd like to feature a collection of pictures as well as some suggestions on how you can get involved with this event locally.

As President McKenna said, this is your newsletter. Please send me any input, suggestions, or story ideas. What would you like us to write about?

I would like to thank Cari Ritzenthaler from Lodge 35 for volunteering her time to edit this publication. I would like to thank those lodges and board members who submitted the content for this issue. Keep it coming!
